"In 128 I was in poor health, and my friends, as well as myself, supposed that my earthly voyage would soon terminate. But after taking one box of Brandreth's Pilis, I began to feel better. Well, sir, when I had used up twelve boxes I was a well, healthy man-my weight having gone from Ill pounds up to life pounds. I then ordered a supply, and between that time and the present I have retailed three thousand dollars' worth of these invaluable pills, and am quite sure that I have thoreby been instrumental in saving thousands of lives.
